Thanks for checking on this, Rick.

Sorry we missed it.

Beth – please invoice the amount of \$108.81 on the old order number (in the file) and send to Renae as Rick indicates (folder in my office).

You can invoice on the same PR. Send to Renae Cochran.

Thanks for taking care of this.

Rick

Rick – will we need to wait to invoice the LV4 package cost (\$108.81)? Or may we use the old order number EP-G12A-0005?

Rick, when I compiled this LV4, I noticed that there was no narrative attached to the original LV2 report. I revised the LV2 report as well, and it is being sent along with the LV4 report (attached).

You should now have all LV4 packages.

Regarding the LV4 data package charges.

The original Order for Supplies and Services #EP-G12A-0005 had anticipated a \$108.81 charge.

Is that POstill open?

We never billed the full amount of the anticipated costs, so we could bill against that number if it is still available.

Please let us know if we met your expectations by rating the service you received from TestAmerica on this project by visiting our website at: Project Feedback
